## 2019 Wisconsin APWA Chapter Sponsorship Program

The current **Wisconsin APWA Chapter's Sponsorship Program** was initiated in 2002 and is a key funding source for the chapter. Thanks to all of our sponsors. The Wisconsin Chapter will continue its excellent series of educational and network opportunities in 2019, and will continue to grant educational scholarships for eligible college students.

The generosity of the firms and individuals who contribute their time, talent and financial support make it possible for the Wisconsin Chapter to offer many educational opportunities and information resources throughout the year, including:

- ✓ Excellent Spring and Fall **Public Works Conferences** in various locations around Wisconsin, featuring technical sessions, exhibits and opportunities for networking with key public works professionals from throughout Wisconsin. *May 8-10, 2019 Oshkosh* and *November 6-8, 2019 Warrens*

- ✓ Informative **newsletters**, featuring information on the Chapter, its members, and updates on current events in public works (Quarterly)
- ✓ An online **web site**, <http://Wisconsin.APWA.net> that provides information on upcoming Chapter events and activities as well as chapter committee activity.

We need your time, talents and contributions to continue improving these events. Your participation in our chapter, our newsletter and our various forums are greatly appreciated. More information on our chapter can be found at <http://Wisconsin.APWA.net>.

In addition, the Chapter offers this program for those member firms or individuals that are interested in financial sponsorship. The Chapter offers two main categories of sponsorship: Annual Chapter Sponsorship to support all of the Chapter's on-going activities and Conference Sponsorship to support the spring or fall conferences, summer outing, or Snowplow Rodeo, and ala carte sponsorship of events. ## Wisconsin APWA Chapter Scholarship Sponsorship

The Wisconsin Chapter APWA also provides an opportunity for organizations to sponsor scholarships for students pursuing degrees in various public work fields. The gifts are tax deductible and will be recognized as part of our scholarship program. Organizations may fund a scholarship for a year or endow a scholarship. This would provide an opportunity for recognition of your firm's commitment to the profession. Either annual or endowed scholarship gifts can be designated to recognize an individual in your organization as a reward for service or contribution.

A gift of **\$1,000** will sponsor a scholarship for one year. A gift of **\$50,000** will be added to the Scholarship Fund Principal to endow a scholarship in perpetuity. A sponsored scholarship will be recognized at the Fall Conference, on the Scholarship Certificate, in the Chapter Newsletter when scholarship awards are announced, and by letter when the gift is received. If a scholarship recognizes an individual within your organization, that name would be included in the recognition.
