

Assistant Director of Public Works

Village of Brooklyn, WI (pop 1400) is seeking a full-time assistant director responsible for administrative and daily functions of a small PW Department, 17 miles from Madison. The Village has its own sewer/water utilities, parks, cemetery and community building. Responsibilities include hands-on work, personnel management, policy/procedure development, budgeting, and long-range planning.

Good communication skills and the ability to work amicably with a wide variety of people is a must. Successful candidate will have professional public works knowledge, sewer/water utility and supervisory experience. Must have or be able to obtain water and wastewater licenses and CDL.

Go to www.brooklynwi.gov to download application and view complete job description. Applications must be received no later than May 4, 2018. Wages of \$21 to \$24 per hour plus benefits dependent upon qualifications. Relocation to within ten miles of the Village is required.
