

The City of Fond du Lac, Wisconsin, is seeking an **Electrician Crew Leader**. The purpose of this position is to be responsible for a crew, to perform skilled work in the installation, maintenance, and repair of electrical systems and equipment, and to perform related work as required. This position also helps to establish training programs for personnel concerning safety in general and safety procedures that relate to specific jobs or functions.

The successful candidate will possess thorough knowledge of electrical methods, practices, and principles in the installation, repair, and maintenance of electrical systems and equipment; laws, rules and regulations pertaining to electrical codes and their application; occupational hazards and safe work practices. Abilities required include: install, maintain and repair electrical systems and equipment; understand and effectively carry out oral and written instructions; and establish and maintain effective public and working relationships; read plans, specifications, rough sketches and layouts; and provide first line supervision and train others.

Duties include: Installation, maintenance and repair of electrical systems in municipal facilities; install, maintain, and repair electrical and electronic equipment, worn and obsolete equipment; installation, maintenance and repair of police and fire radio systems; occasional maintenance of electronic traffic controls, street light systems, traffic control systems; installation, maintenance and repair of emergency systems in municipal buildings; maintenance or records preparation; locating of underground city-owned electrical systems; develop lighting layouts; write specifications and cost estimates, and order materials for City infrastructure; maintain clerical, activity, financial, and other records as required; and prepare bills for equipment purchased by the City.

Position requires graduation from high school and eight or more years of experience in electrical construction and maintenance work. Special requirements include possession of a Master Electrician license issued by the State of Wisconsin and a valid Wisconsin Commercial "Class A" Driver's License without air brakes restriction, and with tanker endorsement. The possession of a Journeyman Electrician's license will be considered. Training requirements include confined space entry, Basic First Aid and CPR.

Submit cover letter, application, and resume to: City of Fond du Lac, Human Resources, 160 S. Macy St., Fond du Lac, WI 54935. You may obtain materials by contacting City Human Resources at (920) 322-3624 or visiting the City website at www.fdl.wi.gov. Position open until filled.
