

Street/ Utility Field Maintenance Foreman City of Fond du Lac, WI

Fond du Lac is a beautiful and thriving community of 43,151 located at the foot of Lake Winnebago. Fond du Lac is a great place to live and work and its recreational opportunities are second-to-none. In addition, Fond du Lac is only an hour away from Green Bay, Milwaukee, and Madison and all those communities have to offer.

The City of Fond du Lac is seeking a Street/ Utility Field Maintenance Foreman to direct the construction, reconstruction, and maintenance of City storm and sanitary sewers, streets, bridges, etc., and direct snow removal, river and brush clearing, solid waste collection program and related operations. This person works closely with the City Engineer/ Deputy Director Public Works, and under the direction of the Operations Superintendent.

The City is seeking a candidate with strong communication and leadership skills to work in a team environment, be detail oriented, and have experience in municipal and/or public works projects. The qualified candidate will possess a High school diploma or GED, and have experience with technical training in sewer and road construction and maintenance; and six to nine years construction experience, including supervisory experience, or any combination of education and experience that provides equivalent knowledge, skills, and abilities; and possess a valid Wisconsin Commercial Class "A" Driver's License.

The City of Fond du Lac offers a comprehensive fringe benefit package including health and life insurance. Application open until filled.

If you are interested in this excellent opportunity, please submit a completed application and resume describing your experience as it relates directly to this position. You may obtain application materials by visiting www.fdl.wi.gov Job Openings, or contacting City Human Resources at (920) 322-3624.
