

EROSION CONTROL SPECIALIST CITY OF GREEN BAY

The City of Green Bay Department of Public Works is now accepting applications for an Erosion Control Specialist. This position performs technical and administrative work related to the implementation and enforcement of the City's soil erosion and sediment control program.

Qualifications include a Bachelor's degree in Natural Resources, Environmental Science, Civil Engineering or related field; 1-3 years experience in environmental site inspection, plan review, or construction field experience directly related to erosion and sediment control; Erosion and Sediment Control Certification or ability to obtain within 12-months of employment; certification such as CPESC (Certified Professional in Erosion and Sediment Control) or equivalent; and a valid driver's license and good driving record.

Salary: \$52,728-\$57,366, plus an excellent fringe benefit package. No residency requirement. Apply online at www.greenbaywi.gov/jobs; (920) 448-3147. Applications will be accepted until the position is filled. The City of Green Bay is an equal opportunity employer.

The City of Green Bay is a leader in employee health and wellness with its Health 1265 program with a goal to engage all employees in their own health and well-being. By being active and taking preventative measures employees earning 1265 points can reduce what they pay for insurance premiums, earn dollars and incentives that include Packer game day tickets, autographed memorabilia and more.

The City is committed to a work environment and community governance that values and supports diversity and inclusion.
