

ENGINEERING AIDE CITY OF GREEN BAY

The City of Green Bay is accepting applications for Engineering Aide. Engineering Aides inspect public works construction projects, prepare reports and records related to inspection and design, perform review of televising video and reports of sewers, and perform drafting assignments. Engineering Aides also assist with engineering surveys, updating GIS records and reviewing erosion control and storm water facilities. Requirements: Associate's Degree in Civil Engineering Technology, Natural Resources, or equivalent; ACI Concrete Field Testing Grade I certification (or ability to obtain within one year of hire); and a valid driver's license and good driving record. Salary: \$18.00-\$21.31/hour plus excellent benefit package. Apply online at www.greenbaywi.gov/jobs. Applications are being accepted until the position is filled.

*The City of Green Bay is a leader in employee health and wellness with its **Health | 1265** program and a goal to engage all employees in their own health and well-being.*

The City is committed to a work environment and community governance that values and supports diversity and inclusion.

An equal opportunity employer.
