

## **MECHANIC**

### **City of Green Bay**

The City of Green Bay Department of Public Works is seeking a second shift Mechanic with **strong welding and fabricating skills** to perform work of moderate difficulty in the repair and maintenance of all Public Works and other City department equipment. The successful candidate will be very skilled in welding and fabricating, possess knowledge of standard practices, equipment, tools, hazards, and safety precautions of the trade as well as computer and technical skills including using diagnostic equipment and engine/transmission programs. The successful candidate will also be self-directed and possess strong project management skills.

Requirements include:

- Associate Degree in Diesel, Heavy Equipment Mechanics, or a related field.
- One year experience in medium-heavy truck and off-road equipment.
- ASE (Automotive Service Excellence) certification in all phases of medium-heavy truck repairs desirable.
- Previous experience in commercial welding/fabrication and/or certification desirable.
- Valid Commercial Driver's License (or ability to obtain within 6 months of hire) and good driving record.

Hiring range is \$23.77 - \$24.46 per hour, plus an excellent benefit package. Apply online at [www.greenbaywi.gov/jobs](http://www.greenbaywi.gov/jobs). Applications are being accepted until the position is filled.

*The City of Green Bay is a leader in employee health and wellness with its **Health | 1265** program and a goal to engage all employees in their own health and well-being.*

*The City is committed to a work environment and community governance that values and supports diversity and inclusion. An equal opportunity employer.*
