VILLAGE OF GREENDALE DIRECTOR OF PUBLIC WORKS

Director of Public Works, Greendale, WI (pop. 14,123). Progressive, mature, full-service Village with a historic downtown, Greendale is 7 miles southwest of Milwaukee in Milwaukee County. Greendale is known for its beautiful neighborhoods, gardens and greenspace, dining and shopping opportunities, and excellent municipal services. The Village has a Downtown Historic District which was named a National Historic Landmark site in 2012. The Village is seeking a highly collaborative manager to direct a broad range of services including planning, construction and maintenance, streets, storm water, wastewater and drinking water utilities, buildings and parks. Greendale encompasses 5.5 square miles; the Village maintains 61 miles of streets, and 125 miles of water and sanitary sewer mains. Village utilities serve nearly 5,000 customers. The Director manages \$5 million in operating and enterprise fund budgets, as well as 19 full-time employees. The Village is governed under the council-manager form of government. The Director is appointed by and reports to the Village Manager. The ideal candidate must have an inclusive managerial style, as well as clear, and open communication skills. The preferred candidate will be adept at combining a hands-on management style with confident professionalism, and an ability to work with a variety of stakeholders. A record of creative problem solving, strong public relations skills, high professional standards, and approachability is required. Graduation from high school plus an additional year of technical training in road maintenance and construction, plus at least 5 years of experience in planning, construction and maintenance, streets, storm water, wastewater and drinking water utilities, buildings and parks, including some supervisory experience; or any equivalent combination of training and experience. Residency is not required but highly encouraged. Salary range \$73,323 to \$90,259 plus full benefit package.
