

STREET SUPERINTENDENT

The City of Marshfield is seeking qualified applicants for a Street Superintendent.

POSITION SUMMARY:

The Street Superintendent position directs the operations of the Street Division; including storm sewer, sanitary sewer, street, and sidewalk construction and maintenance; refuse and recycling; construction projects; departmental and City policies; and snow removal procedures. The Street Superintendent is also responsible for the Forestry Program as the City Forester and weed control as the City Weed Commissioner.

POSITION REQUIREMENTS:

Associate degree in Construction Administration, Civil Engineering or related field required; Bachelor's degree preferred. Equivalent combination of education and experience may be considered in lieu of formal education. Minimum of five years of experience in Civil Engineering or related field and five years of middle to upper management experience is required. WI Class D driver's license required. Public Works Supervisory Academy, Phase I offered through the University of Wisconsin is required to be completed within the first five years and Phase two (Certified Public Managers Program) within seven years. Competent person and CPR/First Aid Certification required or must become certified within one year of hire. Knowledge of or the ability to learn how to interpret construction plans. Ability to effectively communicate, delegate, follow-up, and evaluate the work of subordinate staff and ability to maintain effective communications and relations with the general public is required.

PAY & BENEFITS:

Pay range is \$34.53 (Minimum) - \$37.34 (Market Rate). Possible future financial advancement depending upon funding ability by the City. The City offers a full benefits package including health/vision, dental, long term disability, flexible spending accounts, 457 Deferred Compensation Plan, and WRS retirement plan.
