

SANITATION OPERATOR

Location: Oshkosh, WI

Deadline: This posting will be available until the position has been filled.

Salary: This is an hourly, non-exempt position, with a full benefits package. Compensation starts at \$19.03 per hour.

The City of Oshkosh, Wisconsin is searching for a full-time Sanitation Operator. This position involves the use of automated and manual vehicles involved in collecting, transporting and disposing of garbage, recyclables, and brush material. Work mainly involves the performance of manual and automated tasks in collecting garbage, recyclables, and brush, loading it into collection vehicles, and delivering it to the transfer station/landfill. Some discretion is required when entering private property and while handling limited public contacts. The employee will also perform duties of general labor in street maintenance and construction work when not performing sanitation duties.

Qualified candidates will possess a High School Diploma or GED, and 1 year of experience within the past 5 years operating tandem trucks. This position also requires the candidate to possess a Class B CDL with no air brake restriction at time of application.

Application Procedure: Please visit <https://selfservice.ci.oshkosh.wi.us/ess/employmentopportunities/default.aspx> for a full description of the position and benefits offered, as well as to apply.

The City of Oshkosh is an equal opportunity employer committed to diversity in the workforce.
