

# Village of Shorewood, WI

## Utility Equipment Operator

Posted February 7, 2019 | Closes March 4, 2019

The **Village of Shorewood, WI** is seeking to fill the position of **Utility Equipment Operator**. Under the general direction of the Public Works Director and Assistant Public Works Director, this position will perform a variety of skilled and semi-skilled sewer and water work with other assigned public works crew members. Tasks may include but not limited to maintaining and repairing sewer and water mains, valves, hydrants, catch basins, and manholes; televising and cleaning sewer lines; meter reading; and taking water samples. The position will be required to respond to emergency situations after hours including snow and ice operations.

Minimum qualifications include a High school diploma or general education degree (GED), and three years of experience in the maintenance and repair of sewer and water distribution systems and facilities. Selected candidate must also successfully complete a drug test and physical to show they can perform the physical demands listed in the job description as well as the possession of a commercial driver's license and a DNR Grade 1-GD Water Operator License or the ability to obtain these licenses within 6 months.

Salary range \$49,545 - \$62,462 annually. All inquiries relating to the Facilities Maintenance Craftsman position are to be directed to the attention of the Assistant Village Manager.

Fill out an application form available at <http://www.villageofshorewood.org/Jobs.aspx> and send a resume and cover letter to Assistant Village Manager Tyler Burkart at [tburkart@villageofshorewood.org](mailto:tburkart@villageofshorewood.org). **The Village will begin reviewing applications Monday, March 4. The position will be open until filled.** Shorewood is an equal opportunity employer.
